Spotlight on our Auctioneer & Assistant

Auctioneer:

George Dunkel

The Grant Watts Parent Organization is happy to announce the guest auctioneer again this year, is Scappoose’s own George Dunkel.

Born and raised in Scappoose, George graduated from SHS in 1969. He met his loving wife Vicki while attending school at Grays Harbor College. Married over 40 years, the two made their home in Scappoose raising three daughters, Keri, Wendi and Lindsey. All three of their daughters attended Grant Watts and now five of his nine grandkids are Grant Watts alumni.

George is a retired Fire Chief of 36 years. He began his career as a volunteer firefighter with Scappoose Fire District. Later he was hired by Washington County Fire District (now Tualatin Valley Fire & Rescue). His final assignment was Chief of the Columbia River Fire & Rescue.

George is active in his retirement as he sits on the Board the Wauna Credit Union. He works for the Special Districts Association of Oregon and he’s active in Kiwanis. He’s a big OSU Beaver fan, but most of us see him cheering for his grandkids in their sport and life adventures.

*We are so happy to have George and his family join us this evening. Together we continue a legacy of strong support for our great school!*

Auction Assistant:

Mrs. Toni Nelson

The Grant Watts Parent Organization is grateful to have our very favorite Auction Assistant, Miss Toni back to help us this year.

Toni Nelson has been a valued contributor to both student and staff success at Grant Watts Elementary School since she began working for our school district in October 1999. Her dedication to our school community has positively impacted so many of our lives. In addition to her work with the school district, Toni volunteered many hours in our schools. She has always been, and continues to be willing to step up and help when needs arise.

Toni has new, fun ideas that our students and staff love. She is one of the most caring and thoughtful people you will ever meet. We feel lucky to have known Toni for all these years. She will always be a part of our family.

Even since she retired in January 2012, we still find her subbing and volunteering. When she is not involved with Grant Watts, Toni is spending time with her husband Greg, their two sons Collin and Jay, and her new grandson.

*So friends, tonight when you see Miss Toni join the GWPO and thank her for her countless volunteer efforts and her happy legacy of support for our school community. We are so proud to work and serve with her.*
How It Works – Auction Guide

When participating in the Grant Watts Auction, bidders agree to abide by all the auction rules. This helps ensure our auction is fair and enjoyable for everyone.

Bidding Rules

1. Guests must register at the registration table and secure a bidder number. Only bids by registered bidders will be honored. Under no circumstances may someone use any bidder number other than the one issued to them.

2. All Silent Auction items have bid sheets attached nearby. Those wishing to bid write their bidder number and the amount of the bid on the bid sheet. The first bid should be on the first open line and all subsequent bids should be written on the following lines.

3. Bids must be in round dollar amounts. Please note the minimum raise for each item and raise bids by no less than that amount.

4. There may be multiples of certain silent auction items. Each will be considered a separate auction item. The highest bid on each sheet will be successful.

5. Guests bidding on silent auction items agree that if subsequent bid is disqualified or otherwise stricken for any reason prior to the close of bidding, the last and highest bid on the bid sheet will be deemed the successful bid.

6. The Grant Watts Parent Organization Auction Committee (Auction Committee) makes the final determination of successful bidders on silent auction items.

7. Under no circumstances may bid sheets be removed from tables except by the Auction Committee.

8. Please step away from tables when a silent auction closes. This allows the Auction Committee to remove bid sheets in a timely manner and determine the successful bidder. Please do not add bids after that auction’s closing time.

Payment and Item Retrieval

1. Anyone bidding in the auction agrees to pay the amount of his or her bid if it is determined to be the successful bid. If a successful bidder does not fulfill purchase obligations, the Auction Committee reserves the right to sell the item to an alternate bidder.

2. The cashiers’ table will be closed briefly at the end of each silent auction. The committee will then add that auction’s successful bids into the files. It can take up to 30 minutes to process all successful bids and organize our files for cashiering at the end of the evening. We work as quickly as possible. Your patience is appreciated!

3. Please pay for all items at one time. Payment may be made with cash, check, Visa, MasterCard (debit or credit cards). Make checks payable to GWPO. Payments in full must be made the evening of the auction.

4. All sales are final. There will be no exchanges or refunds. Cash refunds are not available on unused portions of gift certificates.

5. Please read the entire description of the items you purchase. Note all details such as restrictions and expiration dates. Gift certificates themselves are not redeemable for cash.

6. Any service or experience purchased must be mutually arranged with the donor. Purchasers are responsible for this follow-up.

7. All items must be removed from Grant Watts Elementary School on the night of the auction. Furniture or unusually heavy items are the only exceptions. These must be picked up during the following school week. Please make arrangements with the Office Staff by calling 971-200-8002.

8. The Gym will be the designated pick-up room. Show your paid receipt to our volunteers at the table and they will retrieve your items for you. Please do not remove any silent auction items from the tables. Please show your paid receipt to our volunteers for any oversized item before removing it from the gym.
How It Works – Auction Guide continued:

Liability
1. The Auction Committee has tried to catalog and describe each item correctly but all items are sold “as is”. GWPO neither warrants nor represents, and shall in no event be responsible for the correctness of the description, genuineness or condition of the item. No statement contained in this catalog or made orally at the sale or elsewhere shall be deemed to be such a warranty, representation, or assumption of liability.
2. All experiences sold at the auction are to be undertaken at the sole risk of the purchaser. GWPO or the Scappoose School District is not responsible in any way for the loss, injury, or damage to (or in respect of) any person or property.
3. Value assigned to some items being auctioned is estimated only.
4. GWPO reserves the right to withdraw any item from sale prior to the auction.
